

YBES 2019 BACK TO SCHOOL DAY EVENTS!

Welcome back to school! We are so excited to begin the new school year and want to invite you to the Campbell County Schools' Annual Back to School Day. The goal of Back to School Day is to deepen our home-school relationships, prepare families for the start of a new school year, and most of all, get our students excited about school!

We hope to maximize your time spent interacting with teachers, administrators, and counselors to help you feel connected and comfortable. We hope this day is impactful, and we wish all of you, students and parents alike, a great 2019-2020 school year.

On the accompanying pages, you will find a schedule of events and a list of available kiosks at the Expo. Refer to these to help plan for your visit. Please note that this event is designed to give parents/students options. You can choose which teachers you would like to visit, which sessions you would like to attend, and which kiosks at the Expo to visit. The only requirement is to pick-up your child's packet at the Expo!

CLASSROOM SESSIONS

Meet your teacher and visit the classroom. Parents have the option to pick and choose which session to attend.
