Thank You!

We are so very thankful to all of the companies and organizations that support our Yellow Branch Tigers. Recently, we have had all of these companies donate money towards our playground. We want to give a special thank you to:

- Cooper Family Investments
- G. Andrews, Jr. Hauling, Inc
- G&B Insulation Company, Inc
- KAR Krafters, Inc
- Mark Anstey Investments
- Next Time Consignment
- Off The Top Hair Salon
- Powell's Truck & Equipment
- Sonny Merryman, Inc

Make sure to support these businesses when you are given the opportunity!

Daddy/Daughter Dance

We are very excited for this special night that is coming up next weekend! It is such a memorable time for our little girls and their father figures.

The school will be transformed into a magical Tiffany & Co. themed setting. There will be touches of robin egg blue with hints of black throughout the lobby, cafeteria, hallways and in the gym.

The girls and their father figures will enjoy an array of desserts and candies, along with some delightful punch. They can use props and make faces for their memorable photo strip they receive at the photo booth. They will also be able to decorate a book mark sleeve to hold their special photo booth memories. The girls will also have the opportunities to write love notes to their father figures in the gym under the beautiful tent. No worries, there will still be plenty of time for dancing and fun games, like limbo and hula hoops, while DJ Stew keeps the girls moving to their favorite songs.

We will also have an area set up on the front lobby for those that would like to take special photos of their girls with their father figures before the dance. We ask that once they enter the dance that you respect their special time together and let them enjoy their date without coming in to take pictures. Also, if the guys have their cell phones the volunteers working the event will be more than happy to snap pictures for them if they are asked. Thank you for understanding.

Blaze Pizza Night

Monday, May 1st

Blaze Pizza (in Target shopping center) is offering a fundraising opportunity. A portion of the proceeds from the sales that night will go to YBES PTA. PLEASE MENTION YBES PTA so that we will get credit for your order. Please tell your friends and family to come that night as well!

I Scream, You Scream

Tuesday, May 16th

I Scream, You Scream (next to Food Lion on Wards Road) is offering YBES PTA another "Give Back" night. A portion of their proceeds from 2pm - 10pm that night will go to YBES PTA. We all love ice cream and especially supporting another YBES family. Please mark your calendar and we hope to see you!

Fun Run Volunteers

Thanks to all of the willing volunteers that helped make the Fun Run Obstacle Course such a success! It was a little windy and chilly that Friday, but it sure did not bother the kids. What a way to reward them for meeting their \$10,000 goal! We love to see the smiles on the children's faces!

Field Day

Mark your calendars! Tuesday, May 30th is the scheduled date for Field Day. We would love to have you hang out with your student(s) that day to help the classes through the activities of the day. We're not sure of the actual activities of the day because your PTA does not plan this day, but many of us will be there with our children and also helping with the distribution of the sno cones that afternoon.

Be on the lookout for a flyer coming home at the beginning of May for the sno cone orders. They are only \$1 each and come in several flavors. Our friends at I Scream, You Scream make them onsite the afternoon of Field Day.

Also, your PTA works with local companies to make sure that each student at Yellow Branch has their own school t-shirt for Field Day. This makes the day so much more exciting for the students and makes for great pictures. It also gives each student a shirt to show off their pride for their school as well as they can match their friends. We already have a great list of companies supporting the shirts this year. If you know of a company that would also like to sponsor our shirts please let us know. All of the company names will go on the backs of more than 600 shirts being worn in our community.

Playground Update

THANK YOU for all that you have done for our amazing school! We actually surpassed our goal and raised over \$11,000. We could not have reached this goal without you all and for that we are so very grateful! Additional updates will now be able to be done on the playground as well as new equipment will be ordered by Mr. Dunn for all P.E. classes to use.

Our first order of playground equipment from back in the winter is now moving forward. New equipment is being delivered NEXT WEEK!! The old wooden 6x6s will be removed this weekend and the grounds will be ready for installation as early as next week. We will keep you updated as the progress continues. We hope to have this phase of the playground completed for the kids to enjoy the last couple of weeks of school.
