**WE HAVE THE
POWER!**

September News

Dear Parents,

On behalf of the staff at Yellow Branch, it has been our pleasure to begin a new and exciting school year with your student!

We have worked hard this past four weeks to learn and practice procedures that will set us up for success! We will continue to set high school-wide behavioral expectations by being Super Learning Heroes:

H- Helpful

E- Engaged

R- Respectful

O- Organized

Many students have already been role models by demonstrating these behaviors and have received a Super Hero Office Referral. Students who earn these get to come to the office to celebrate and get a prize, get their names announced on the morning announcements, and get a phone call home to let their families know.

We are also working hard to focus on academic achievement and growth for each student. A great way that you can support our school in this effort is to **make sure that your student attends school all day, every day**. Student success depends on students arriving on time and remaining until the end of the day because instruction begins at 8:45 and continues until 3:35.

Sincerely,
Mrs. Brown
YBES Principal

- Thank you so much for your support of the PTA Attractions Book Fundraiser. We sold 959 which almost reached our goal of selling 1,000 books! If you decided not to purchase the sample book, please send it back to school as soon as possible so that we can return all of the unsold books.
- The cafeteria will begin selling ice cream on Fridays in September. The cost of ice cream ranges from 60 to 75 cents.
- If you would like to volunteer at YBES, please stop by the office to complete a volunteer packet. This packet needs to be completed each year.
- Children are dismissed from the office if you pick them up before 3:35. **You will be asked to present a Driver's License whenever you check a student out or plan to visit the school.**
